Restaurant

In an elegant style, **Onyx Beach Restaurant** offers a real delight for the senses, dishes prepared with love and desire for perfection, combined with the beautiful view and the sounds of the sea bay. The soft tones of the interior

flowing into golden details create a harmonious and intimate atmosphere. Each of the three halls has its own charm.

Onyx Beach Bay

Onyx Beach Bay is a beach restaurant located on the golden sands in front of the Onyx Beach Residence Complex. The exquisite and exotic style, designed with exceptional attention to detail, offering exciting experiences and absolute relaxation, brings you into a sense of comfort and comfort.

The restaurant's menu is inspired by modern, culinary trends and offers a sophisticated variety of dishes prepared with the highest quality products.

Attention to every detail makes the experience unforgettable - from specially selected wine to copyrighted cocktails and tempting desserts.

Guests can enjoy the caressing, sunlight, the gentle touch of fine sand and the fresh sea air in front of the restaurant with pre -booking of sun beds, single and double deck chairs and tents for privacy.

Pools

Onyx Beach Residence offers its guests two outdoor pools, located on a terrace opening a spacious view of the sea. Beautiful plants surrounding the sun loungers contribute to the idyllic and comfortable atmosphere. One of the pools has an integrated children's section.

Massages and relaxation area

A relax area has been created in the hotel, equipped with a sauna, a steam bath, and an ice shower.

During their vacation at Onyx Beach Residence, our guests can take advantage of the services of our professional massage therapists
